Accessories:

NOTE: it is often extremely difficult or impossible to add or remove many of these accessories after the bed is built because many are structural changes.

- IV Pole and mounting bracket Part #150
- Storage Drawers under bed rail Part #450
- NOTE:
Drawers must have 30" transfer height and CANNOT be used with electric deck
- Variable height option for fixed models Part #455
- Clear view window in headboard Part #825 / 827
- Clear view window in footboard Part #826 / 828
- Airflow panel in headboard Part #825a / 827a
- Airflow panel in footboard Part #826a / 828a
- Clear Back Panel for Hi Side beds Part #800
- Airflow Back Panel for Hi Side beds Part #800a
- Foam pad lining inside of the bed (Twin) Part #700
- Foam pad lining inside of the bed (Double) Part #710

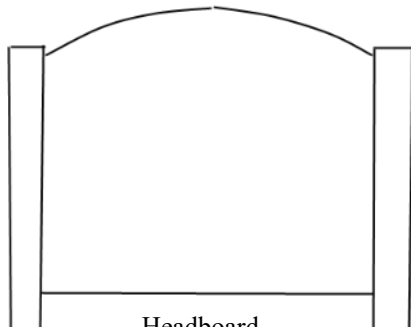

NOTE: once pads are added the user must ALWAYS have pads or unsafe gap will occur. Similarly, pads cannot be added without extensive frame modification after bed is built because frame is oversized to accommodate. Plan accordingly.
